Verification of the posting of the agenda - Secretary Steele verified the agenda was posted in accordance with NRS 241 on the 24th day of June 2021 between the hours of 2:00 p.m. and 4:00 p.m. at the locations listed on the agenda. Those locations include the Churchill County Road Department, Churchill County Complex Building, Churchill County Web Site, and the State of Nevada Website.

Public Comment – Chairman Heath asked for public comments on issues that were not listed on the agenda. Resident Conrad Lowrey introduced himself and said the name of the game is the same, pave the half-mile of road. In the last six years, the players have changed, first the Comptroller, then the County manager, followed by two County Commissioners. Now, he feels it is necessary to repeat all his public comments. For example, the five pages he handed out at the previous meeting were handed out before, but now they are gone. He has read and heard, that he is allowed three minutes for public comment. He said if he is getting on somebody's nerves after three minutes, the board can stop him. Although he has given public comment over fifty times, he has not been asked to stop, nor does he know if he has gone over three minutes. What he would like is for the county to come out and pave his half-mile of dirt. He said the residents have been putting up with the road for 41 years, and it is now time for it to be paved. He then thanked the board for their time.

Agenda – Commissioner Olsen motioned to accept the agenda as submitted. Motion seconded Vice-Chairman Koenig and carried by unanimous vote.

Minutes – Vice-Chairman Koenig motioned to approve the minutes of June 3, 2021, as submitted. Motion seconded by Commissioner Olsen and carried by unanimous vote.
